A black and white photograph of a river flowing through a wooded area. The river is in the center, winding from the background towards the foreground. The banks are rocky and covered with sparse vegetation and fallen branches. The trees are mostly bare, suggesting a late autumn or winter setting. The lighting is soft, creating a contemplative mood.

Home Life

Reflections of childhood will never dim. The golden years of life, they are remembered as years of deepest despair and exultant joy. Nothing went unnoticed; nothing was unimportant. Each new day brought excitement and mystery. The world was new and life was wonderful. Precious memories deepen with the years, and, as we reflect on early childhood, may we see the brightness and happiness of a child's face—a lesson to be learned, that the world still has mysteries to solve and that life still is wonderful.

Spiritual Life

Ideals are the impressions of life. They form a blueprint for us to follow in order to enjoy a full, rich existence. Ideals are important. They are vital to us; for they are the hopes, the ambitions, and the dreams of the possessor. We must set our own goals, and only we can measure our own success. Our ideals can never be too high, for they will influence us throughout our lives. We can never attain a goal if we will not reach for it.

Student Council

Student Council is the lawmaking body of the school. Forty-eight members make up the Council including class officers, one representative of Student Health Council, home room representatives, the three Council officers, and the defeated candidates for Student Council offices.

Six committees are designated to do much of the work. They are Pep Rally, Publicity, Social, Survey, Project, and Buying. Each committee has a financier who makes purchases. The survey committee serves as a clearing house for projects which are brought before the Council.

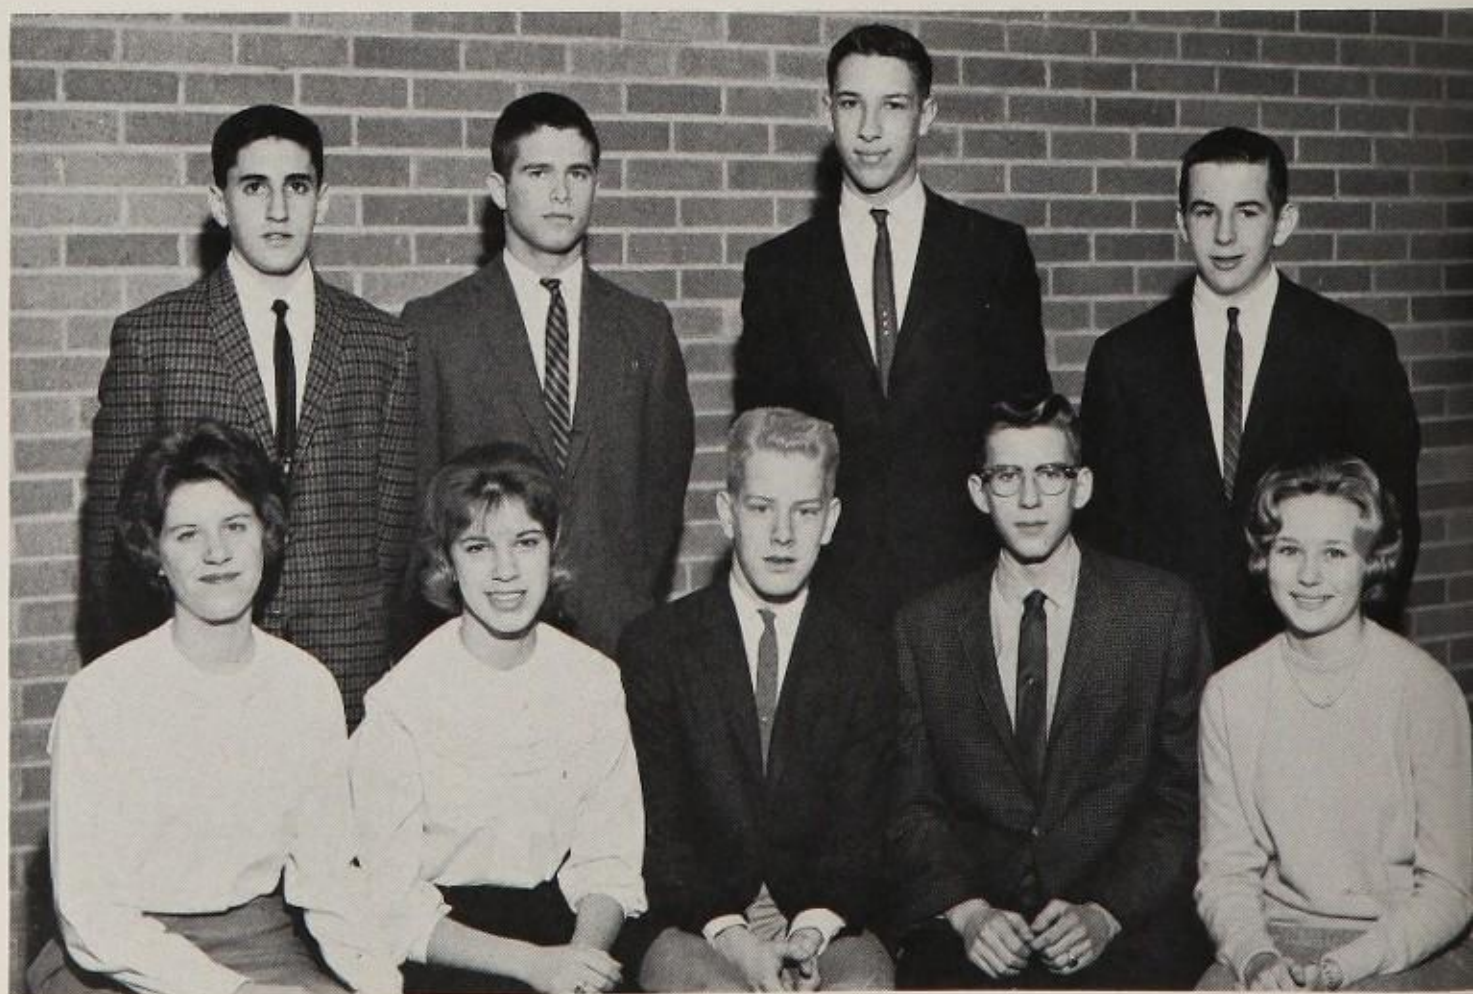

Traditionally, Student Council has taken care of homecoming festivities. The bonfire, the parade, the float contest, and the crowning of the queen were all capably handled again this year.

This year Student Council representatives played host to the parents at the annual parent-teacher open house. Also in November a mock presidential election was held. Students at Bexley were not in accordance with national results as the Republicans in the mock election won by a landslide.

As a service project, each home room representative was in charge of collecting canned food and money to be sent to unfortunate families at Christmas time. Class vice-presidents and alternates decorated the halls to create the holiday spirit.

Social Committee's main function was the annual New Year's Eve Dance which was held at the Jeffrey Mansion. Billy Graham provided the music for the affair.

Other Council projects for the 1960-61 season included a Lost and Found opened every morning and attended by a Council member. The group also operated a popcorn machine for the school administration. A program of locker inspection was instituted by Student Council for the first time this year. Designed to eliminate lost articles and littered halls, the inspection has proved very successful.

Perhaps the most important project that the Council undertook was the revision of the student handbook, the *Lion Life*. Members of the *Torch* staff and Student Council officers collaborated on the revision which will be printed in time for the opening of school in the fall.

Officers responsible for Council leadership were president, Sam McGavran; vice-president, Steve DeVoe; secretary-treasurer, Sue Yardley; and advisor, Mr. H. V. Tipton.

Student Health Council

Student Health Council, an organization dedicated to the improvement of health conditions in our school, had a very successful year. In the annual Red Cross and United Appeals Drives Bexley contributed the most money in its history and exceded its quota by thirty dollars.

Health Council membership consists of two boys and two girls from each class who are elected as freshmen and serve for four years. This year's officers were Bill Betz, president; Bob Self, vice-president; and Margie Turner, secretary-treasurer. Miss Love and Mrs. Manly, school nurse, served as advisors.

First Aid

For the first time in the history of Bexley, Student Health Council sponsored a Red Cross First Aid program. Under the guidance of Captain Markham of the Whitehall Fire Department, fifteen students received their First Aid certificates.

Classes were held for ten consecutive weeks on Thursdays from four to five and included a program of lectures, discussions, movies, and practical work. The course is to be continued next year with the hope that the student body will take an even greater interest than it did this year.

Torch

Standing: Bob Stine, Jeri Lazear, Marcia Heffernan, Mike Friedman. Seated: Jeff Schwartz, Karen Mercer.

As a reflection of student life and activities, the TORCH has maintained its standard of excellence again this year. Led by co-editors, Karen Mercer and Jeff Schwartz, the staff instituted several new ideas. The "Alumni on Campus" series, the extensive articles on testing and college preparation, and the first pictorial essay in the history of the TORCH by David Japikse and Karen Mercer were the highlights of the season.

In addition, the new staff attempted to uphold the prestige which previous staffs have gained for the TORCH. News Editor, Jeri Lazear, covered the news of student activities. The humor of "Stine's Line," written by Bob Stine, consistently lightened up the second page, while Marcia Heffernan tied together the news and features of the third page. Jack Meyer, as sports editor, covered the entire Lion athletic scene.

The business staff, consisting of Mike Friedman, Lynne Grundstein, and Don Ruben, enabled the TORCH to have its most successful fiscal year by selling more subscriptions and advertising than ever before and by sponsoring the TORCH Valentine Dance and the sale of the Dial-A-Date.

Although the TORCH had the potential for a top-notch newspaper, its final product would have been impossible without the guidance and training of its advisor, Mrs. Sara Amos.

Bexleo

Throughout its years of publication the BEXLEO has maintained a fine reputation. We, the staff of 1961, chose our theme embodying the ideas of reflections and impressions because we believe that these two concepts are indeed a memorable part of school life. While carrying out our theme we have tried to produce another superior yearbook equal in quality to the books of previous years.

The purpose of this yearbook is to present you, the student body, the many impressions and experiences reflected during your high school years. With a central idea as a starting point we have worked throughout the year experimenting and thereby initiating new ideas.

Our co-editors are Betty Harris and John Strahm; literary editor, Ellen Ziskind; art editor, Terry Thall; business manager, Fred Barry; and advertising manager, Andy Tsitouris.

We are deeply indebted to our advisor and friend, Mr. Ralph M. Howell, who through his concern and time-consuming efforts, has proved to be an invaluable counselor to our staff.

This is your BEXLEO it reflects your support through the tax stamp drives and through the subscription campaign. We hope that you will enjoy this book as much as we have enjoyed producing it for you.

Choir

One of the most active and talented organizations in our school is the choir, under the direction of Mr. C. Robert Myers. Meeting the fourth period every day and giving ten to fifteen performances each year certainly makes the choir a busy group.

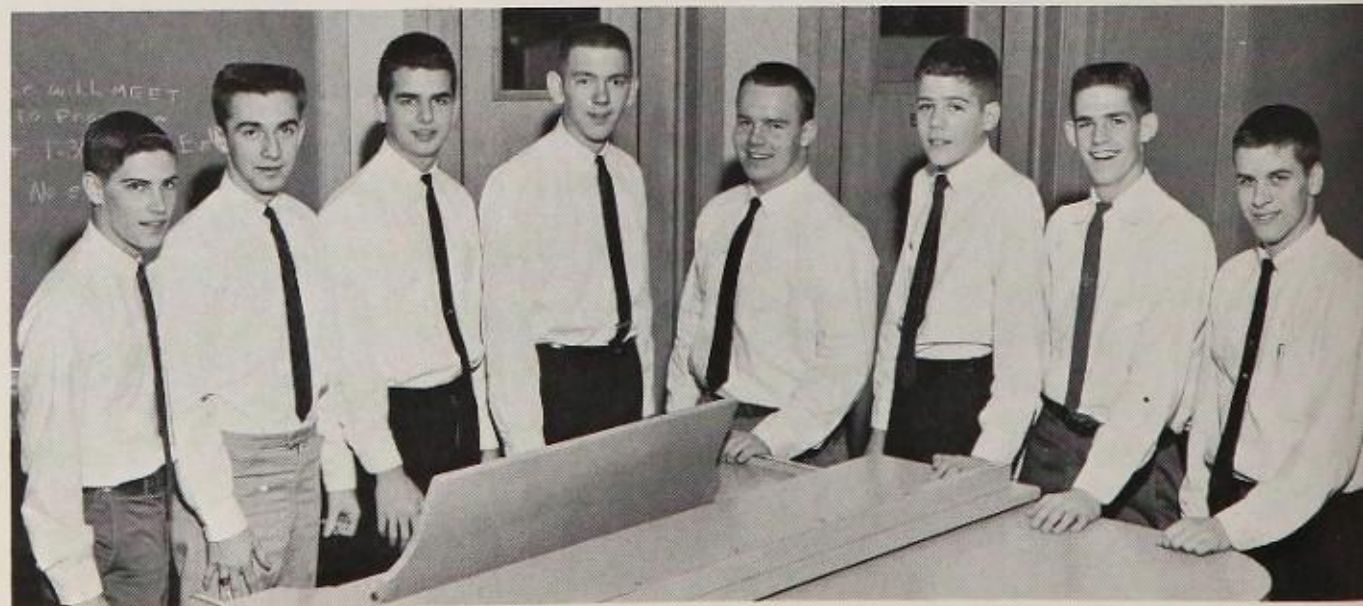

First on the choir's schedule was the annual Parents' Night Rehearsal. A typical practice, to which all parents were invited, was held in the evening. The choir sang several numbers—one of which was entirely new—in order that the parents might see how the choir is conducted.

November was filled with many engagements. The girls' ensemble entertained at a dance and the entire choir sang at the Thanksgiving assembly. The Christmas season immediately followed. Heavy snow did not

prevent the choir from fulfilling their nine engagements, which included entertaining at the three elementary schools, Capital University, the Bexley Women's Club, and the Columbus Country Club.

Spring months brought a culmination to an active season with the annual solo and ensemble music contests. This year the entire choir was entered in the district contest. Both the ensembles and the choir did very well. Although no operetta was given this spring, the annual Spring Concert, which took its place, was received with much enthusiasm.

Choir officers were Bob Hill, president; Ellen Ziskind, secretary-treasurer; and Polly Taylor, social chairman.

Concert

Band Director: Mr. William Rost

Bexley's Marching Forty-eight displayed its excellence again this year during performances at the football games. In preparation for the season, the band began practices two weeks before school. As a result they were able to provide the audiences with delightful music and intricate routines.

After the football season ended, the band demonstrated its versatility by reorganizing into a concert band with sixty-seven members. This change required a complete change in techniques. Concert Band prepared many enjoyable concerts for the community. The first of these programs was the annual Christmas concert held in the Bexley High Auditorium.

Also during the winter months the band gave several assemblies for students in the Bexley School System. Bexley High School, Bexley Junior High School, and Cassingham Elementary School were all entertained by the excellent musical programs.

Band

Two major projects in March were the annual District Music Contest and the National Honor Society induction. Ten band members entered the contest with great success while at the same time the entire group provided music for the induction ceremony. In addition to these shows Concert Band played at the Athletic Awards Assembly and presented a spring concert that was very well received.

On May 5 the annual band awards banquet was held at the Seneca Hotel. After dinner, awards were bestowed on deserving members, and the rest of the evening band members spent dancing and socializing. As a climax to a busy year, Concert Band played at commencement. For its successful and active season, the band is greatly indebted to Mr. Rost for his untiring efforts and invaluable advice.

Officers were Frank Reed, president; Les Levitt, vice-president; and Cheryl Margulis, secretary-treasurer.

National Honor Society

On March 23, twenty-nine new members, nineteen seniors and ten juniors, were inducted into the National Honor Society. Juniors in the upper sixth of their class and seniors in the upper third of their class are eligible for election.

Students are judged on the basis of character, scholarship, leadership, and service. Each person inducted into the society has demonstrated these qualifications.

In conjunction with Mrs. Barr, sponsor of the group, this year's seniors who became members as juniors planned the ceremonies. Character, scholarship, leadership, and service were presented by these students as being essential to success in life. The symbol of the Society, the history of its foundation, and a few chosen remarks by Mr. Jones and Mrs. Barr concluded the ceremony. Induction into the National Honor Society is considered to be the highest honor that can be received at Bexley.

National Thespian Society

At Presutti's Villa, on February 21, the National Thespian Society inducted twenty new members. Those who had substantial parts in "Dino," the Dramatics Club presentation, were awarded with membership in the club. Also inducted were those people who devoted a great deal of time working backstage with scenery, costumes, and make-up.

National Thespian Society was organized at Bexley in 1955 in an effort to encourage students showing ability and interest in dramatics. Mr. James Eliopulos serves as advisor for the group.

Quill and Scroll

Quill and Scroll, the honorary journalism society of Bexley, held its induction of new members at the second annual journalism banquet. Mrs. Amos and Mr. Howell presented the twenty-three inductees with their honors.

To be eligible for membership in the society, one must be a member of the TORCH or BEXLEO staff, be in the upper third of his class, and have the recommendation of the advisor. The purpose of the society is to recognize outstanding contributions to the success of school publications.

French Club

French Club members were entertained at the first meeting with a French skit introducing the officers: Sherry Shamansky, president; Marlene Solomon, vice-president; Mary Jane Chittenden, secretary-treasurer; and Mr. Howell, advisor. During the year the members played French charades, listened to a speech given by Mona Harris on Franco-Egyptian customs, and participated in the annual city-wide French banquet held at the Ohio Union on February 21. The project committee sent a scrapbook of a day in Bexley High to a school in France. In the spring the club joined Spanish Club for a picnic to close its enjoyable year.

Latin Club

Latin Club, with leadership provided by Fred Barry, president; Melissa Blanton, vice-president; Judy Franz, secretary; and Fahn Zelizer, treasurer; enjoyed a very successful year of activities. Miss Opal Wylie served as advisor.

Freshmen with an "A" average in Latin for the first semester were inducted into Latin Club. This induction enlarged the total membership of the club considerably. The Latin Club Dance was one of the most successful in the history of the club. Janus, the god of good beginnings, served as the main element in the decorations. As in past years the Roman banquet was held in May. Its success was attributed to the hard work of the committee chairmen. By studying ancient and modern Roman life, the club served to broaden the intellectual appreciation of its members.

Book Club

This year the Book Club, which meets in the library, worked with a cabinet for the first time. Members of the new cabinet were Barbara Volosin, Fahn Zelizer, Marilyn Poth, and Mimi Levison. At the first meeting a student gave an enlightening talk and showed slides of his European trip.

Officers were Melissa Blanton, president; Marlene Solomon, secretary-treasurer; and Mr. R. Z. Smith, faculty advisor.

Spanish Club

Spanish Club began its 1960-61 session with a barbecue at the home of Marilyn Goben. Several traditional projects were again repeated and enjoyed as in previous years—the pinata party, the joint meeting and picnic with French Club, the dinner at the Casa José, and the city-wide Spanish Fiesta. New activities included a teenage speaker from Argentina, a music appreciation day, and a fund-raising project for the tape recorder in the language laboratory.

Marilyn Poth, president; Norm Sher, vice-president; Lona Spencer, secretary; Brian Michaelson, treasurer; Mrs. Janice Minton and Mr. Lawrence Smith, advisors, led the group.

Music Club

Under the leadership of Polly Taylor, president; Bob Shaw, vice-president; and Carole Glick, secretary-treasurer; Music Club has interested its members in all phases of music. Several entertaining programs were provided by other schools. Music Club sponsored a dance, the "Finals Fling," after final examinations. The club also financed a scholarship for one of its members to attend a summer music camp. The club ended the year by holding a picnic in conjunction with Dramatics Club at the Jeffrey Mansion.

Mr. C. Robert Myers and Mr. William Rost served as advisors for the group.

Future Teachers

One of the main objectives of Future Teachers of America is to acquaint members with the various phases of teaching. In carrying out this objective, the club has enjoyed interesting speakers, films, and discussions. Members also received practical experience by doing substitute teaching and observing classes in the elementary schools. F.T.A. also sponsored the Annual Teacher's Tea.

Assisting president Ellen Drum were Connie Stebleton, vice-president; Judy Holt, secretary-treasurer; and Miss Lucinda Shetter, advisor.

Who's presiding over this Art Club meeting?

Art Club

Art Club members experienced a whirlwind of activity this year climaxed by a three-day trip to Chicago over Easter vacation. As well as having various speakers and making visits to local spots of art interest, the club sold Bexley pennants and sponsored a dance to raise money for the trip to Chicago.

All these activities were planned by the officers, Terry Thall, president; Nancy Stewart, vice-president; Sue Murray, secretary; Joan Dunavent, treasurer; and Mr. Ralph Trivella, faculty advisor.

What's on the Dramatics Club agenda for today?

Dramatics Club

With the purpose of inspiring its members to have a greater appreciation for the arts involved with drama, Dramatics Club enjoyed a very successful year. The members of the club presented the play "Dino" in the fall; Sam Weiner did an excellent job of portraying Dino, a juvenile delinquent. The season was highlighted by the annual banquet held at Presutti's Villa where several members were inducted as new Thespians. More Thespians were inducted at a picnic held in the spring. The organization fulfilled its mission of service by entertaining the patients in Children's Hospital.

Carole Jolliffe, president; Norm Sher, vice-president; Jeri Lazear, secretary; and Mike Friedman, treasurer were responsible for leadership. Mr. James Eliopulos served as the club advisor.

Plenty of peppy people promote plenty of pep.

Pep Club

Pep Club's second year was a very successful one, in which many changes were made. The group originally began as a cheering section and was organized into a club last season. A constitution was written by the newly elected officers, Cindy Crall, president; Mabel Gilbert, secretary; and Lynn Elsass, treasurer.

Projects for the year included the sponsorship of two student buses for away basketball games, and the sale of flowers in order to increase the treasury. Next year Pep Club hopes to increase its membership and sponsor more projects.

Varsity B

Varsity-B is an honorary organization made up of all lettermen of varsity sports. The purpose of Varsity-B is to promote school spirit and to improve the school and its athletic activities by the undertaking of a worthwhile project. Though this year Varsity-B elected no officers, the club was advised by Ben Tenwalde.

Debate

Newly organized this year was the Debate Club. Mike Friedman, president; Don Ruben, vice-president; Mary Jane Chittenden, secretary; Betsy Brust, treasurer; and Mr. James Eliopulos, advisor all agree that the debaters did an excellent job. "Resolved that the United Nations should be significantly strengthened," was this year's topic for high school debaters. The A debate team was composed of affirmative, Friedman and Tsitouris; and negative, Chittenden and Brust. This team was a runner up in the district meets at Ohio State University. Several tournaments were held here at Bexley and also at other schools. Next year the teams hope to become experts and win the districts.

Science Club

Working under the supervision of a new advisor, Mr. Larry Metz, the Science Club continued its efforts to promote interest in science at Bexley. Through various money-making projects, the club members earned enough funds to continue work on a project begun last year, a digital computer. Work was begun on drafting a constitution for the club.

Science Club officers this year were Ed Stein, president, and Mitzi Snyder, vice-president and secretary-treasurer.

There's a great opportunity for women in science!

Hi-Y

This year Hi-Y participated in many projects. For Thanksgiving, Hi-Y joined forces with Y-Teens to collect baskets of food for the needy; and for Christmas they helped in Kinder Key Caroling. The club took part in the basketball and volleyball programs offered by the Y.M.C.A. The annual Hi-Y versus faculty and Hi-Y versus Y-Teens basketball games were very successful.

Officers were Dick Stevens, president; Tex Pritchett, vice-president; David Addison, secretary-treasurer; Bill Hoyer, chaplain; and Steve DeVoe, sergeant-at-arms; and Curtis Tong, advisor.

Saturday Math Class

Consisting of students who are proficient in mathematics and have an interest in mathematics beyond the scope of high school courses, the Saturday Math Class has been functioning as such for two years. Leadership is provided by Mr. John F. Schacht, the advanced mathematics instructor at Bexley High School. One of the main projects for the year was the preparation for the advanced mathematics test sponsored by the Mathematics Association of America. Greater interest has been shown by the increasing attendance since the school year began.

Y-Teens

Growing in the knowledge of God and achieving qualities of friendliness and loyalty are the principal goals of Y-Teens. To attain these aims, Y-Teens has sponsored many activities throughout the year. The annual Can Can Party in conjunction with Hi-Y was held in November. The collection of twenty-seven baskets of food was contributed to the South Side Settlement House. Other charitable projects included Kinder Key Caroling, the Lily Parade, the Orphans' Christmas Party, and service work for Links.

Many social events filled the Y-Teens' cal-

endar. The Spaghetti Dinner took place in March. On April 8 the girls sponsored the Sadie Hawkins Day Dance. Couples came dressed in the costumes of Dogpatch characters, and a prize was awarded to the couple with the best costumes.

This year the club was lead by Nancy Samson, president; Polly Taylor, program chairman; Sue Helmick, vice-president; Marilyn Kurtz, secretary; Carol Jolliffe, treasurer; and Meg McGavran, member-at-large. Miss Trola McCurdy and Mrs. Antoinette Barr served as advisors.

Girls' Athletic Club

Girls' Athletic Club experienced another busy year under the leadership of Bev Greene, president; Mary Lou Garves, vice-president; Vicki Cochran, secretary; Jean Schmidt, treasurer; and Carole South, intramural manager. Miss Love and Miss Robson served as advisors.

In keeping with the spirit of the national election, annual rush party had the theme of a Political Rush Party.

Hockey Night was held in style with a spread catered by Willards' Restaurant.

In addition to the regular intramural tournaments, other events sponsored by G.A.C. included a dance following a basketball game, a joint Christmas project with Y-Teens in which G.A.C. collected toys, and an exciting Basketball Class Night. The Seniors won the contest for the third year in succession, defeating the Juniors in an overtime by two points. Reigning as Sports Queen was Carole South.

Ending the season was a traditional banquet held at Ilonka's Provincial House. The dinner was highlighted by the presentation of letters and awards; a speech from the toastmaster, advisors, and out-going president; announcement of the new sportsheads; and the candlelight installation of new officers.

Football

In the first game of the year, the Lions overpowered an excellent Logan team, 20-0. Bexley spotted St. Charles 20 points in the first half then roared back to score 14 points only to fall short in a second half rally. The next week the Lions faced a good Eastmoor team that went on to tie for the City League crown. Eastmoor overpowered the Lions to win 28-0. Bexley opened the C.B.L. season on September 29 with a 12-0 victory at Grandview. After being behind Arlington only 3-0 at halftime, Bexley went down 23-0. The Lions then fell to Whitehall at the Rams' Homecoming, 32-18. The Lions dropped a last-minute, 20-18 decision to Worthington after outplaying the Cardinals the whole Homecoming game. The following week Bexley traveled to Mt. Vernon to meet a good Yellowjacket team and returned home on the short end of a 24-8 score. In the ninth game of the season, the Lions met the C.B.L. champion,

unbeaten Urbana, and went down before the Hillclimbers, 30-14. The season ended on a satisfying note with a 14-0 victory over Delaware. The 1960 Lions seems to deserve the title of a "one half" ball club, but it may be said for them that they never quit and they always played clean football.

At the football banquet, November 22, the Varsity and Reserve teams were honored and letters were presented to the members of the playing Varsity. The highlights of the banquet were the presentation of the Fred Medors Award to Jim Wacker and the induction of Larry Herwald and Jim Wacker into the Shoulder Pad Club.

The Lions placed Jim Wacker on the C.B.L. team and Chris Tsitouris, Terry Lane, Jerry Mechling, Jim Westwater, Bill Goldberg, and Dave Helmick were given honorable mention. Mechling and Wacker also made first team honorable mention on the Central District honorary team.

Basketball

In spite of the fact that the 1960-61 Lions finished with a losing 7-10 record, they displayed a great deal of basketball ability in a league which was represented in the Central District Finals by Grandview and in the State Finals by Urbana.

Captain Jerry Mechling and Frank Kass provided most of the scoring punch, aided at times by Larry Ritter, Steve Tuckerman, and Steve DeVoe. Ritter and DeVoe were also mainstays in the rebounding department.

After losing the first game ever in the new gym to Grove City, the Lions, coached by "Lefty" Swinehart, rebounded to down perennial rival, St. Charles for their first victory of the season. The Lions then lost to Arlington after leading for three quarters. In the following two games, Bexley won over Whitehall and Worthington, coming from behind by thirteen points to conquer the Cardinals. The Lions lost to West and Urbana but came back to

crush Delaware, 60-27, only to bow to Grandview in a rough battle the next night. Bexley then lost three games in a row to Arlington, Whitehall, and Worthington, as the second round of C.B.L. play began. On the following weekend, the Lion cagers beat Mt. Vernon and Delaware. In their next game at Urbana, Bexley gave the League champion and State finalist a battle, finally losing by eleven points, one of Urbanas' smallest winning margins of the regular season. Bexley broke even in the last two games, losing to Grandview and winning over Mt. Vernon in the last regular season game.

Though the team was handicapped at times by the illnesses of Jerry Mechling and Steve DeVoe, the Lions turned in a creditable record in a very tough league. For this reason, "Lefty" Swinehart is to be complimented on his fine coaching. Frank Kass, the team's leading scorer, was rewarded with a berth on the second string ALL-C.B.L., while Jerry Mechling received Honorable Mention.

Swimming

This year's swimming team, co-captained by George McCloy and Les Levitt, proved to be one of the strongest in recent school history. Bexley's tankers finished third in the Central District Meet behind Upper Arlington and Academy. Ten men qualified for the State Meet although none reached the finals. Les Levitt captured the only first for the Lions in the District with a time of 1:07 in the 100 yard butterfly. In winning six of nine meets, Coach Russell Owen's team broke three school records. Barry Mellman, Jeff Paine, and the Medley Relay team were among the record breakers.

Wrestling

The Bexley wrestling team in its fourth year had the largest schedule, 13 matches, in its history. Led by co-captains Ivan Romanoff and Bill Goldberg, the wrestlers compiled a four and nine record with victories over University, East, Ohio State School for the Blind, and West.

Coached by Ben Tenwalde, the team stimulated more interest on the part of the student body than ever before.

At the Winter Sports Banquet, it was announced that Bill Goldberg was the Most Valuable Wrestler and that Larry Lieberman and Dick Golden would lead the 1961-62 wrestling team.

First row: Tom Leukart, Sam Bates, Jerry Durham, Bill Goldberg, Terry Lane, Dick Stevens, Dave Japikse, Barry Kayne, George Slater.

Track

With the loss of ten lettermen through graduation, Bexley's track team faced a major rebuilding job this year. Coach Russ Owen had only four lettermen returning from last year's squad. Three seniors were Terry Lane, Dick Stevens, and Bill Goldberg, in addition to sophomore Rick Mauger.

The greatly improved underclassmen helped fill Bexley's major void which was in the distance events. The track squad was also aided by an outstanding group of freshmen, among them Richard Patton, Van Snider, Dave Parker, Jay Maupin, and Richard Harbold. Because of the experience the underclassmen are gaining this year, Coach Owen is able to look forward to several very promising teams in the future.

Baseball

This year, the baseball team under the expert guidance of Curtis Tong now in his second year as a coach, has high hopes of taking the C.B.L. crown this season. The team spent the entire spring vacation in Charleston, South Carolina, where they were able to get in much pre-season practice, thus putting them one jump ahead of the other teams in the league. Each of the members of the team who took part in the spring training helped finance the trip with a personal, but very reasonable contribution; Mr. William B. Hoyer, who has two sons on the

squad, financed the transportation.

Several lettermen returned from last season to strengthen this year's team. They are Tom Elsass, captain; Joel Brandt; Calvin Hamrick; Steve Tuckerman; Chris Tsitouris; Ron Clowson; Steve Rosenthal; and Bernie Yavitch, manager. The team will also derive valuable assistance from its newest member, an automatic pitching machine which this year's Senior Class donated to the school. The machine is designed to pitch batting practice at an incredible accuracy of 98%, and should be of great benefit to the squad.

Golf

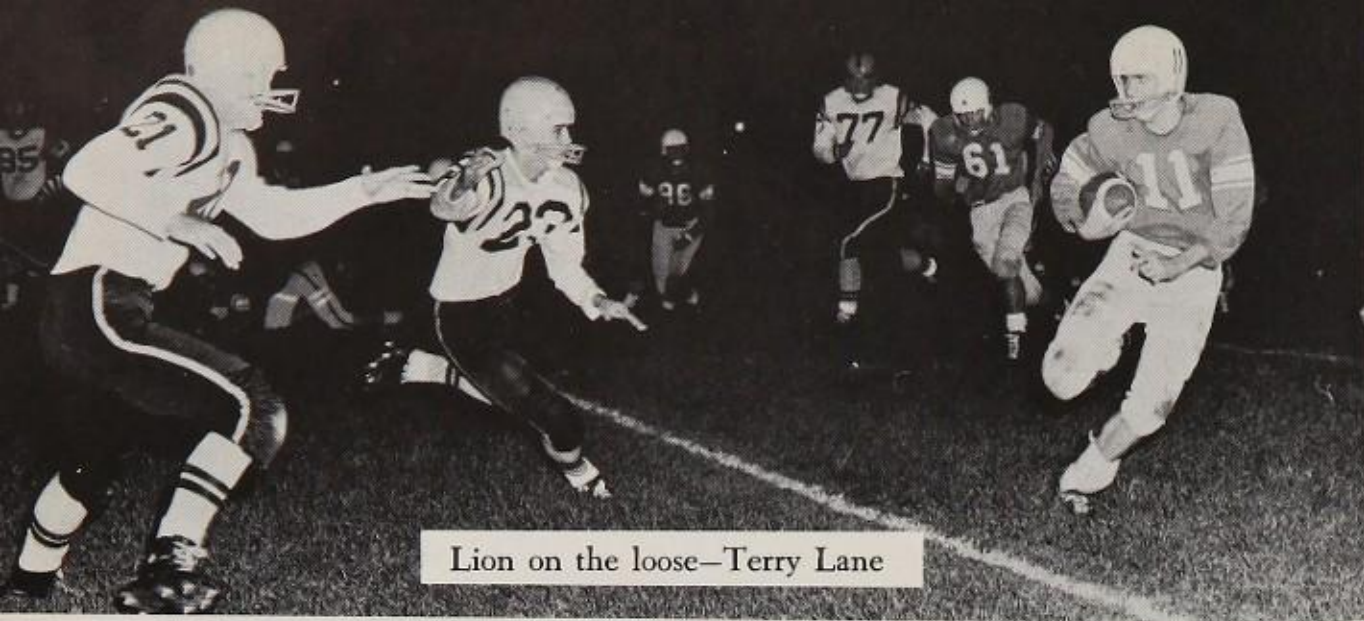

The 1961 golf team, coached by Carlton Smith, sports a roster of four returning lettermen. They are Wayne Weld, captain, Steve DeVoe, two year veteran, and juniors Reid Wasserstrom and Steve Miller. Junior Dick Frankel and freshman Roger Gleckler are also expected to aid the team. The four lettermen, accompanied by Coach Smith, toured several southeastern states during spring vacation and picked up valuable experience that they hope will carry them to the State High School Tournament.

Standing: Captain Andy Tsitouris, Coach Metz, *Kneeling:* Sam McGavran, Jeff Schmidt, Irv Godofsky, Mike Friedman, Dickie Dick, Mark Engleman, David Addison.

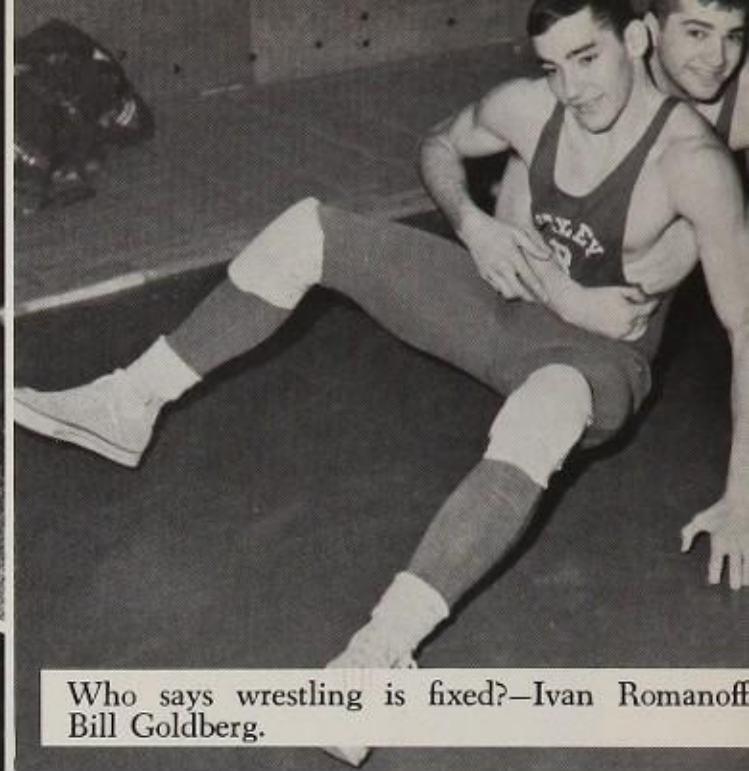

Tennis

The tennis picture at Bexley for the 1960-61 season is bright. The team has six returning lettermen and a promising crop of underclassmen for new Coach, Larry Metz. Returning lettermen include four seniors. They are Andy Tsitouris, Mike Friedman, Sam McGavran, and David Addison, while Richard Dick is the lone junior. The season consists of ten C.B.L. matches and extra pairings with St. Charles and Columbus Academy in addition to the district event late in the season.

Girls' Sports

Girls' sports are for all at Bexley and are treated so by the girls, who do not hesitate to participate in them. There are seventeen intramural sports between individuals, homerooms, and classes. For those girls who are more highly skilled, the program offers interscholastic sports as well as intramural sports. Hockey, basketball, tennis, and golf constitute the interscholastic or varsity sports that are offered.

In addition to these sports, table tennis and badminton are played during the noon hour as well as checkers and darts. Girls who are physically restricted find that there is also a program for them.

Hockey and basketball have always been the

most popular and competitive sports at Bexley. The juniors captured the hockey night title in the annual competition while the seniors maintained their three-year title by defeating the contending junior team at the annual class night competition.

For those interested in learning a specific skill, classes in golf and horseback riding are offered for a nominal fee. Sportsheads for golf are Janie Gumble and Carol Monroe. Horseback riding sportsheads are Lona Spencer and Rosanne Kanter. For those who like to be outdoors a great deal, baseball and tennis fill the bill by providing good exercise under spring skies.

Under the leadership of the various sportsheads, the girls' athletic program is able to provide a year of excitement and stimulation for all interested girls.
